Dear Brothers and Sons in the Lord,

Here we are again with our annual White Fields Men's Retreat approaching fast. The Retreat date this year is May 18th to May 20th. We will again be enjoying the amazing hospitality of Dream Mountain Christian Camp. We arrive at camp at 5:00 PM on Friday and leave at 1:00 PM, after lunch on Sunday. I am very excited and expectant with anticipation as I pray over this year, as God is increasing His anointing in His people and preparing the Church of Jesus to walk in His glory. We will walk in this glory of our Savior not only in Heaven but now on this earth in these end times. God is preparing His Church for its finest moments, when we declare Him among the nations and bring in a harvest for Him.

Let the glory of God increase in you today as you read this letter, and imagine how much of it He has in store for you as we bask in His glory and study about it up at the retreat.

*"...For I consider that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us." Romans 8:17-19*

We are all going through things in our lives, and so is most of society, but these pale in comparison to what God is doing and wants to do in and through us. Whether you are in financial difficulty or have a physical problem or just depression or emotional issues, His glory can change all of it, every last thing! We are supposed to be containers or vessels of His glory. Some might say, "Greg, you know that passage is referring to some day in Heaven and not to be meant for this earth." But I say it is time to expand our thinking, throw off religious trappings and come out into the depth of God and His glory. Listen to this next verse:

*"But we all, with unveiled face, beholding as in a mirror the glory of the Lord, are being transformed into the same image from glory to glory, just as by the Spirit of the Lord." 2 Corinthians 3:18*

This passage says that as we behold or look at His glory, at the One who made us in His image, we are also seeing our own potential glory, and what we see in Him transfers to us, thus we are being transformed. Emphasis is on the word "are" which is now, current day, not future. Let me ask you, is the glory showing in your life and are you aware that God desires it to be that way so that He may be glorified? At our retreat this year, we will behold His glory, and His plan for His Church and we will be further transformed as well as we will see evidence and a vision of our Heavenly destination.

This year we have trimmed the cost to make it easier for more to attend! This year the cost for the weekend is \$110 which includes full use of the facilities as well as 6 wonderful meals! It is important that we know if you are coming so that we can reserve you a space. As with last year, we will need to have payment in full *before* the weekend of the camp because it is required that *we* pay in advance. The payment of \$110 is **due in full by Tuesday, May 1st**. That gives us time to give the camp an accurate head count and turn the fees in. (IF YOU NEED A SPECIAL DELAYED FEE ARRANGEMENT, LET US KNOW!) Thank you in advance for helping us with this! If you feel led to, consider helping sponsor another man! Even a little help makes a huge difference! Make Checks payable to **White Fields Ministries** and mail to:
